

The path to faster processing

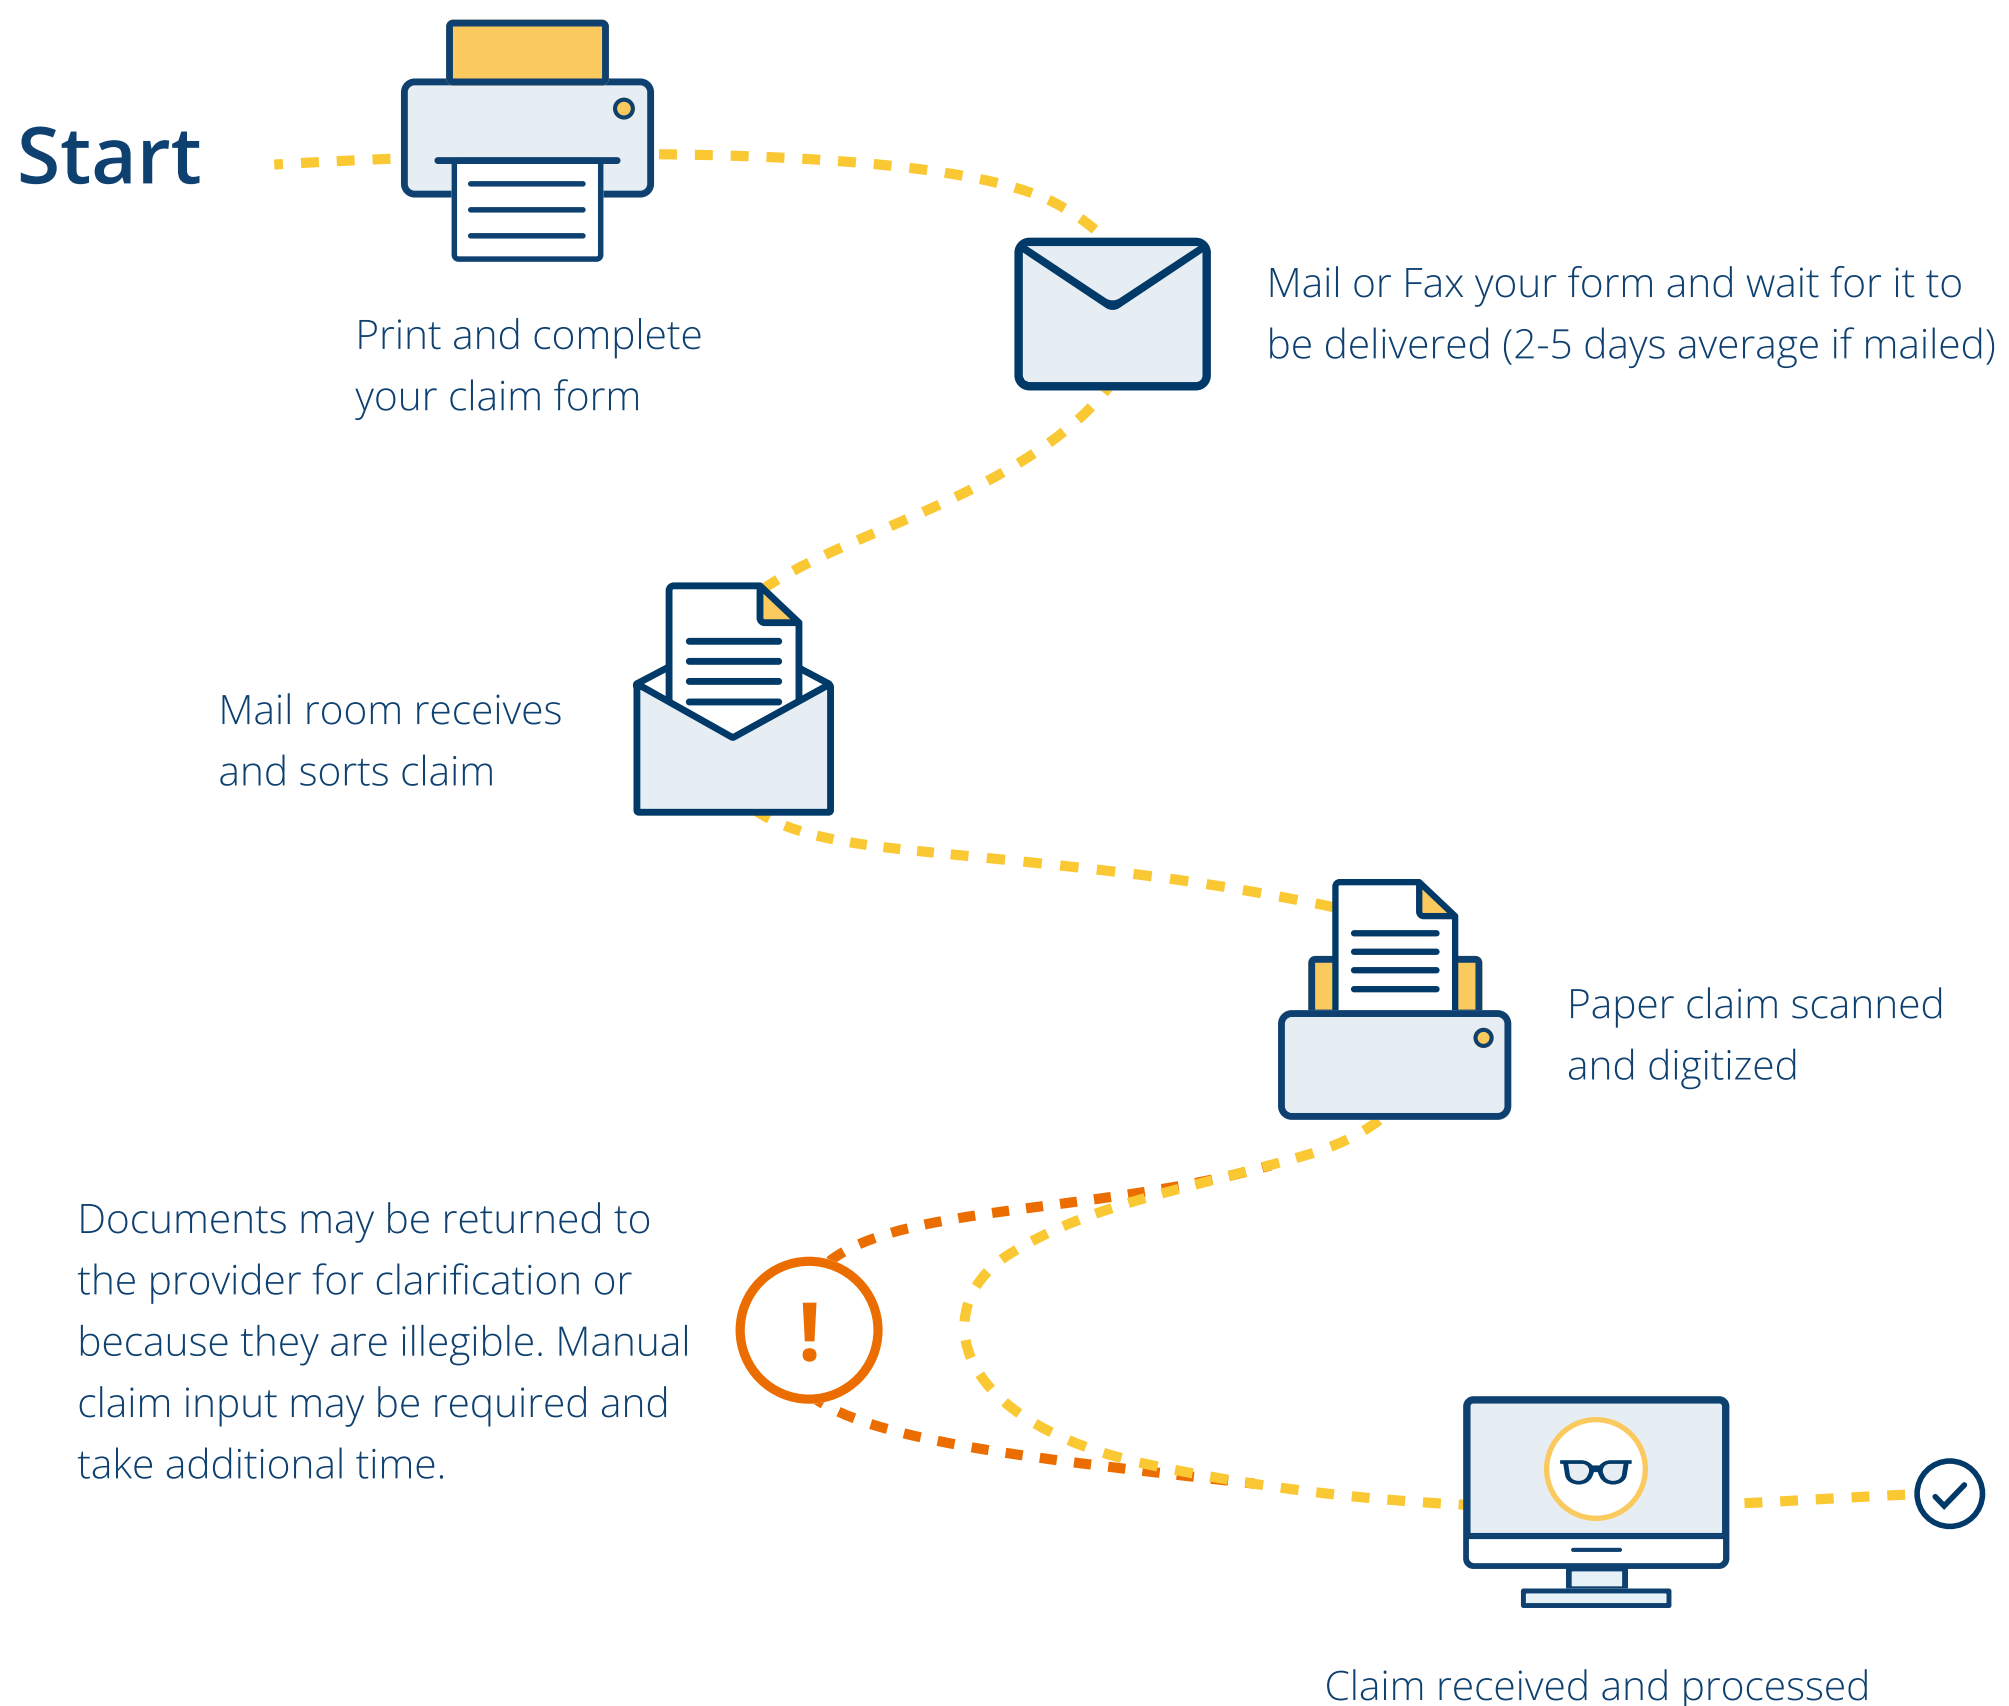

As the old saying goes, the shortest distance between two points is a straight line. And that's just as true for filing claims. Filing online with the vision provider portal gives you a straight line directly to our claims team. Let us show you how.

Digital claims - 2 steps

--- VS ---

Paper claims - 5-6 steps

File your claim faster, get it processed faster and receive a decision quicker by taking the shortest path to connecting with Unum.
