

Dental Quick Start Guide

Document downloads

- 1 From your home screen, navigate to Documents. Select network documents.
- 2 Choose your network from the drop-down menu to see the documents that pertain to your network.
- 3 You'll find standard and network-related documents such as claim forms, payment policies, record changes and Add/Term forms.

Tips: Many forms can be filled out online before printing to save time.

To update the address of a dental practice, first submit an online Records Change form.
